Address all remittances to HERALD fective campaign work, it will aid the her babes. It is natural. Each father coaffany.

man of figures and cared nothing for politics at all, he would have to make the appointments demanded of him by influential members of his party, regardless of qualifications and examinations. The man does not live who as director of the census, could regularly turn away, because of failure to pass an examination, those persons in whose behalf influential senators were interested. If such a man could be found he would not hold his place a week. Resolutions to "investigate" him would be in order, and, as the judges in his case would be all prejudiced against such obstinacy, it would go hard with him indeed.

The census law provides fer an expert and a paironage broker at the bead of the bureau. In all probability Merriam is to discharge the duties of the former. It provides that it shall be under the census," specifies the method of his the census," specifies the method of his the commonity was unanimous, the only non-religious community which was uniformly prosperous throughout its whole the census," specifies the method of his the commonity was unanimous, the only non-religious community which was uniformly prosperous throughout its whole the census, "specifies the method of his the common table and experiment the chairm of home life was lost, that everybody's during the years we worked tosether—affers the column to everybody eise. A community of young people without children at the start, all went evel until children were born into the families with of the common that is milesticated by the common the community was impossible.

Towards the close of the community with the cose of the community of young people without children at the start, all went ell until children were born into the families with different were born into the families with different were born into the families with unit of the common table and experiments Ditty of for instance—were written not only to music, the sub until unit of the families with unit of the common table and experiments Ditties." For interpretation of the peartmental Dittie One hundred and thirty-five ballots for senator have been taken without an election.

The man does not live who, as director of the census, could regularly turn away, because of failure to pass an examination, those persons in whose behalf influential senators were interested. If such a man could be found threatened and sprung at critical mother would not hold his place a week.

Resolutions to "investigate" him would not hold and level for the individual of good parts to the state of the common table and established their own tables. The dissatisfaction over the lack of opportunity for the individual of good parts to the common table and established their own tables.

Resolutions to "investigate" him would not hold his place a week. ments, the "Jackson construction" has been put on everything to which its patentee desired to attach it, peep-holes case would be all prejudiced against breaking up of Ceresco, as it did other

their nerve, and the whole delay and disorder may be traced to one plothatching, non-partisan senatorial head-quarters and two or three disgruntled Democrats, who seem to have no interest in either the party or the legislature.

But the responsibility for this detay, this loss of party opportunity, this wasting of the people's money, resea upon the Democracy of Utah. The people will hold it to an accounting.

"The voic to disband the Ceresco community was unanimous. The lands were sold and a dividend of 8 per cent was declared upon the stock. Almost the latter, for he cannot handle those of the former. It provides that it shall be under the charge of a "director of the census," specifies the method of his appointment and his salary, but says upon the Democracy of Utah. The people will hold it to an accounting. same section provides for an assistant

## REACTIONARY?

At present Utah has but one United dution of the difficulty have no regard States senator, the term of the other or the party, and the party should having expired and his successor not having been elected.

nounced as a candidate and his son Frank is authority for saying. "If Hon. George Q. Cannon shall be elected to "From Manila, U. S. A."

the senate he will not resign."

It is said that Cannon fils, having been convinced that he cannot succeed the senate he will not resien."

It is said that Cannon file, having been convinced that he cannot succeed himself, has selected his father for the place; and that Cannon pere, who is generally regarded as a candidate, no matter what the political complexion will be sent to be sent to be sent to be sent to be sent fur any more? East you know, you ask a felier where he's four he will say with a lordly kind o' flourish: "All Creation, U. S. A." Minorities have rights. They have a matter what the political comulexion tight to be heard, a right to express a of the legislature, has said that, like

tion, has been handicapped and frequently exposed to injury from the efforts of men who, being in the minority, the property of the minority of the more industrious that they are continued as that they are continued as the continued of the more industrious.

leged "progressionlists" are behind this currently "reactionary" style of campaigning.

WHY ONE COMMUNITY FAILED.

Communistic experiments invariably and in failure. Either the big fish swallow the minacus and retire, or the farment series and dissolution results.

Attempts have been made in France, Great Britain, Holland and this country to establish notablistic government in chosen localities, but the selfishness of some or the larmens of other series.

Attempts have been made in France, Great Britain, Holland and this country to establish notablistic government in chosen localities, but the selfishness of some or the larmens of others interfered with success. Rich men have given their fortunes and poor men their time and labors to the advancement of the cause and the practical illustration of fits beauty and utility.

Altogether forty-four colonies were tounded in different parts of the United States before the Ballame agilation.

Altogether forty-four colonies were tounded in different parts of the United States before the Ballame agilations. party, and have continued to oppose him to the bitter end, as, for example, the gold Democrats did in 1896. The re-turns proved to them, as it always proves, that the party stands by the

being it is grand; in practice it is and preferences of the party, men who are welling to dictate to majorities and who repudiate the Democratic doctrine of majority rule.

It is hard to understand how officials, themselves the creatures of majority which they rouse the principle by which they rouse are Democratic right here in Utab who are willing to subject the party organization to immediate and

THE DAILY HERALD certain injury under pretense of guarding against possible or imaginary evils.

The herald company

The herald company

OFFICE THE HERALD block, corner West Temple and First South streets, Salt Lake City.

The herald block corner was the founder of the Wisconsin phalanx at Ceresce, in that state. It was clear to get together and not destroy the fruits of victory won by their party last November.

With a sombor-e-ro on:
Had a lot o' shaggy whiskers;
Nearly all his clothin' gane.
Stopped and asked me for a quarter;
Sayz: 'My home is far away,'
'Where you from?' The varmint answerd;
'Santiago, U. S. A.'

for the party, and the party should having expired and his successor not having been elected.

The candidate whose hunger for office outweighs his desire for harmony in the party will be shown up in his proper light.

So far the Democratic have made a failure of it. Encouraged by the division on the majority side the Republicans will probably make a failure of it. So far the Democratic have made a failure of it. Encouraged by the division on the majority side the Republicans will probably make a failure of it. So far the Democratic have made a failure of it. Encouraged by the division on the majority side the Republicans will probably make a failure of it.

## His Pertinacity.

eight to support their ideals as long as there is any chamee to win.

But minorities have no right to district progress. They have no right to defeat the wind of the progress. They have no right to defeat the wind of the progress. They have no right to defeat the wind of the progress. They have no right to defeat the wind of the progress. They have no right to defeat the wind of the progress of the wind of the progress of the wind of progress. They have no right to defeat the will of the people as expressed by majorities.

One of the fundamental principles of Temocracy is the unquestioned right of a majority to central. Self-government is built upon the foundation of majority ride.

It is from this doctrine that the Democratic party draws its inspiration. And yet this organization, from its inception.

WHY ONE COMMUNITY FAILED.

Communistic experiments invariably

the gold Democrais did in 1898. The continues and poor men ther turns proved to them, as it always proves, that the party stands by the majority of its chosen representatives. The hard-carried prestige of Democracy is often wasted, the success of the party is frequently jeopardized by the party is frequently jeopardized by the party is frequently jeopardized by the stitutes of men who set themselves up as greater than the organization, men as greater than the organization, men as greater than the organization, men to the success, Rich men have given their fortunes and poor men their fortunes and poor men their time and tabors to the advancement of the integer department stores the cause and the practical illustration of the large department stores the cause and the practical illustration of the large department stores proved the large department stores as the cause and the practical illustration of the large department stores proved the large department stores proved to the large department stores proved to the advancement of the cause and the practical illustration of the large department stores proved to the advancement of the advancement of the cause and the practical illustration of its beauty and utility. Some idea of treat cause and the practical illustration of the large department stores proved the cause and the practical illustration of the

# Dr. Kellner's Interview.

Dr. Leon Keilner visited Kipling not long ago in Fingland, and wrote a long article on him in a Viennese journal. Just the failure of the Democratic clare and a separation of the separation of the consideration or respect of the partongs despending polymental to the consideration or respect of the partongs despending polymental to the ambitions of any can be able to decorate who continue to oppose a caucas, who still refuse to listen to and a hide by its decision, are no longer entitled to the consideration or respect of the partongs despending polymental to the consideration or respect of the part which honored them.

Let Democratic respect on the ministry faction: that the good of the organization should always be held part amount to the ambitions of any canal didate.

Let every Democrat in the legisland. Such as part and the legisland and the way from the should always be need to be a selected for whom to shoul, may all set on doctors to be a selected for whom to should always the challeng and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to resent them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert them, too, Straiger things and they have began to revert the party and places himself in the way of the party and places himself in the way of the party

"I looked astonished at him. The late lamented Trollope came to my mind, who, under all circumstances, wrote his twenty pages every day—but Trollope and Kipling! He guessed at once that he had astonished me." I do my daily task conscientiously, but not all that I write is printed: most of it goes there!" "The wastepaper basket under the table here received a vigorous kick, and a mass of torn-up parers rolled on the ground. Kindag's movements are quick and lively, and perhaps semewhat nervous; a thoroughly southern temperament."

## SELECT SAYINGS

I must do what I can. Something good can be said of any-

one.

Injustice is the dangerous thing.
There is earth enough, food enough;
there is not kindness enough.
The sun will be on time tomorrow.
I demand for all men a fair chance.
I judge men by their general direction.

I do not think any abuse can survive

free discussion. Wise use of today attends to tomor-

the true.

To the eye that is looking for better things there are better things to be

Men who lose direction lose them-Men who lose direction lose themselves.

We may set this down that no unmixed pure error ever had a disciple.

Great are the words "liberty, equality, fraternity," but thrust these on people from without by edlet and they do not amount to much.

Whatever the sentence of the court is it must not be to foul air, dirt and bad food.

You can, if you will, beat an empty

humanity is common. All tears are salt; all blood is red.

The first steamship that crossed the ocean brought in her mail a pamphlet proving that no steamship could do for Men and Women this.

this.

All things that nations die of are in the power of citizens to cure.

Never trust a coward with a gun, he has too much confidence in that and too little in himself.

Let us simply try to do the right thing and be cheerful. Do right and he fearless. The man who means to do right can be as fearless as the man who has done right.

## ODD THINGS FROM EXCHANGES.

Happenings In Real Life In Various Parts of the Country.

Parts of the Country.

(Chicago Inter Ocean.)

The recent blimard froze out every case of grip in Kent county, Delaware.

A Danville (fils.) woman has secured a verdict of \$5,000 against an attorney who told her he had got a divorce for her, and she married again before she learned that he was lying.

A Harrisourg (Pa.) young man drabk three ounces of landanum in a room full of women in order that the laides might see him die. Unfortunately they didn't, as he got to much.

house burned down and he and his wife and remaining child barely excaped freezing to death.

When a Wilmington (Del.) woman called on her husband, who was arrested for robbery, he attempted to excape from the jail, but she held him back, locked him in, and gave the alarm.

Special Officer McConnel of Nashville, Tenna, while beating his wife the other day, was shot to death by his son.

A Kentucky negro is thoroughly enjoying a case of malignant smallpox. He is under sentence of death, to hing next week, but nobody will undertake the job. Dr. Stewart of Shippenshurg, Pa., and his two pet dogs, we emphyxiated one night lart week by escaping 20,000 had be two pet dogs. We exaping 20,000 had be not be the control of the period and transferred the balance of it to his wife, so he would have something left for a rainy day.

A kitchen stove blew up in Baltimors during the last cold spel and killed two children, besides seriously injuring the cook.

Okk.
Okkahoma hasn't a single millionaire.
Ah leicle fell from a high building it
Kansas City fast week, and, striking
nam on the sidewall below, were clear
through his head, killing him instantify.
A New York girl fainted the other hard

the audience.
While Mrs. Taylor of the New York
Political Purity society was reading a
paper before the society her bonnet took
fire from a gas jet and the bulk of it was
destroyed. It was on straight at the destroyed. It was time.

The attention of Dr. Parkhurst is called to the fact that thirty-time elergymen of Philadelphia have discovered the existence in that Quaker settlement of "indescribably wicked resorts."

## UTILIZING FOGS.

(Jacksonville (Fla.) Times-Union.)

be hoped that along the coast of Celffornia some device will soon be introduced that shall catch the fog narticles as they float along and force them
to trickie down in gentle streams of
water, so as to moisten the earth. We
do not propose to condense or precipitate the atmospheric moisture in the
ordinary sense of those words, but
simply to catch it as the leaves of the
trees do. We recall the so-called drio
from every rock and twig on the summit of Table Mountain at Cape Town,
and especially on the summit of Green
Mountain, in the island of Assension. and especially on the summit of Green Mountain, in the island of Ascension, and the dampteess of the rocks on Pike's Peak, and we cannot doubt that Of the Late Rev. Myron W. Reed of Denver.

(Omaha World Herald.)

What Henry Ward Beecher was to Brooklyn, Rev. Myron W. Reed was to Denver. Here are some of the terse common sense expressions attributed to the late divine:

I must do what I can.

Shouthing send can be said of anyon the California coast is some simple mechanical arrangement by which the quantity of fog particles shall be intercepted as they flow past any given plant; and shall be forced to drip or glide downward into the ground at the root of the plant. Any fan-snaped arrangements of sticks or state that increases the area exposed to the fog should apparently increase the quantity of moisture carried down to the roots. Mechanical devices, the explosion of dynamite, refrigerating apparatus and other analismous devices are likely to be toe expensive in comparison with the return they make.

# TINY TOKENS.

(Scranton Truth.)
The murmur of a waterfull
A mile away.
The rustic when a robin lights
Upon a stray.
The laping of a lowland stream
On dipping boughs.
The sound of grazing from a herd
Of scratce cows.
The echo from a wooded hill
Of cuckoo's call. Of cuckoo's call, The quiver through the meadow grass At evening fall.

Too subtle are these harmonies
For pen and rule;
Such music is not understood
By any school,
But when the brain is overwrought
It hath is spel!
Heyond all human skill and power
To make it well.

To make it well.

The memory of a kindly word
For long gone by.
The fragrance of a fading flower
Sent lovingly.
The gleaming of a sudden smile
or sudden tear.
The warmer pressure of the hands.
The bursh that means "I cannot speak.
But I have heard?"
The note that only bears a verse
From God's own word;
Such tiny things we hardly count
As ministry.
The givers decening they have shown
Scant sympathy;
But, when the heart is overwrought,
Oh, who can tell
The power of such they things
To, make it well!
